Re: **Annual Report 2010-2011**

This officer has been in attendance at all executive board meetings to date and has addressed all correspondence to date. This officer has attended to her duties as per the FSMA Bylaws.

FSMA and AAMA brochures have been made available to the membership at the registration table at all state seminars and the annual meeting, the exception being the winter seminar. This officer has provided a membership count to the executive council at all meetings. All new FSMA members have been contacted by this officer welcoming them to this society and providing information with regards to the FSMA web site.

This officer had accompanied Theresa Errante-Parrino, CMA (AAMA) to First Coast Technical College in St. Augustine on June 24, 2010 and met with the instructors and students. The medical assistant profession, FSMA, AAMA and the potential for a chapter in their area was discussed. A formal report of this activity was sent to Jeanne Von Ohlsen, CMA (AAMA) FSMA President. This officer has remained available to this group throughout the year.

This officer along with Ruth Lapio, CMA (AAMA) Southwest Chapter President, attended a meeting held at Manatee Technical Institute on November 20, 2010 as members of FSMA in that area had expressed an interest in starting a local chapter. This request was brought to the executive board at the winter meeting.

It has been an honor to serve FSMA in this capacity.
