RE: Annual Report

This past year our chapter has been able to provide members with **18** Continue Educational Credits through various programs. All events and dates, were provided to the Communications Chair and posted to the web in a timely manner. All CMAs in the area were sent invitations to attend our upcoming events from the list of new, re-newing, and recertifying members received from the Membership Committee. All documentation has been maintained and kept with chapter secretary, Carol Harrington, CMA and also forwarded to AAMA for posting of credits. Our One Day Spring Seminar was offered on Saturday, March 5 and which covered continued education in all three categories of Clinical, General, and Administration for a total of 8 CEUs. This was a successful event.

Treasure Coast Chapter is also working with other organizations in the area to obtain additional opportunities for continued education as well. We have attended coding meeting through AAPC, local free medical seminars held within the community, and is currently looking at putting topics online.

Elections for our chapter will take place in April. Our current offices are as follows:

Theresa Errante-Parrino, CMA (AAMA)- President
Pam Giannone, CMA (AAMA) – Vice President
Carol Harrington, CMA (AAMA)- Secretary
Zooshan Plummer, CMA (AAMA)- Treasurer
Gertrude (Trudy) Brunner, CMA (AAMA)- Membership

All correspondences received and were answered in a timely manner. For those correspondences that were informational in nature, they were sent out with advanced notice. There was open communication between the all parties involved.

On behalf of Treasure Coast Chapter, thank you to all the “mentors” who supported this chapter during the year. Through your generous time, understanding, mentorship, and guidance a success year was accomplished. We look forward to your continued support and new opportunities.
