RE: 2010-2011 Annual Report

The Southeast Chapter members Betty Springer, CMA-C and Mary Lou Allison, CMA-C did a presentation to the students and graduates of Palm Beach State College and Indian River State College on Medical Assistants Day October 20, 2010. The Chapter provided refreshments to all and 2 AAMA CEU's were provided. The Chapter also provided refreshments to the students at Broward Community College.

We continue to look forward to expanding our membership and providing educational programs to our members. All we need are volunteers who would like to take on any responsibility.

The Southeast Chapter has presented two Bylaw changes for consideration of the General Assembly.
