Re: Annual Report

Brevard Chapter has finally taken off in directions we could not imagine. Our members are starting to realize that we can have fun, accomplish great things on behalf of the profession; get free CEUs at our monthly meetings and at reduced prices during our seminars. The participation has been increasing due to good newspaper coverage, mass e-mailing and Face Book as a communication tool in reaching our members. Our issue now is finding facilities that can house the number of participants who are showing up at all our meetings and seminars.

BCCMA continues to meet the last Thursday of the month, offering free continuing education to our members and Medical Assistant students. There were 17.5 CEUs during 2010 and hosted two special events for fundraising, the Spring Luau and Picnic on the Beach which thoroughly enjoyed by all. The chapter funds are in good condition.

The Chapter held it's election of 2011-2012 Officers on the 24th of February and installation of the following officers will be on March 24, 2011 at Pizza Gallery in Viera with Mary Hill, CMA (AAMA) as the installing officer. I am looking forward to working with these new officers. See attached list.

This officer attended all FSMA executive board meeting and presided all BCCMA Chapter and board meetings for 2010. Letters of congratulations were sent to the newly certified Medical Assistants and informing them of the Candlelight Ceremony during the FSMA State Conference in May. The Chapter is planning a 4 CEU Spring seminar in April.

It has been my pleasure to serve as President of the Brevard County Chapter of Medical Assistants this past year. I am happy to report that many of my goals for the Chapter have been reached. We still have lots of upcoming planned events and I know that under the presidency of Jeanette Smith, CMA (AAMA) we will continue to strive for the best for our Chapter and its members. All the fond memories will remain in my heart, thank you BCCMA.
