Florida Society of Medical Assistants, Inc.

To: FSMA Executive Board Members
Chapter Representatives
Committee Chairs
Physician Liaison

FROM: Jeanne Von Ohlsen, CMA(AAMA), BS, CMPE
FSMA President

RE: Presidents Report

This officer has been available via e-mail of by phone as needed, attended meeting and upheld duties as outlined. All correspondence has been responded to in a timely manner.

This officer has received notification that Patricia Hightower, CMA (AAMA) has been selected and will attend our annual meeting in May. Please be sure to welcome her and speak with her about any issues you may have. There will be time made available to her in the program as well.

Our meeting coordinator has been very busy getting things prepared for our travels. This January meeting is in Tampa and next October we will venture to Jacksonville. This is a big step out of our comfort zone but one that is necessary. It is the hope of this officer that in doing so, we will be able to build our numbers and truly have a membership that is statewide. Please see other officers' reports for further details on membership activities. (It's great!)

The Education Committee has been extremely busy. The schedule of speakers for May is just about done. Kudos to the committee and their leader, they have done a tremendous job. And to all committee members thank you for all your tireless efforts. You are truly making a difference with FSMA.

It is a pleasure to work with and serve FSMA.
